perfect country to hunt plains game, as there is a wide variety of game to hunt. The trophy quality is excellent and logistically South Africa is an easy country to get to, with daily flights out of Atlanta on Delta Airlines and Washington on South African Airways. We have concession areas in Kwa-Zulu Natal, Free State, Eastern Cape and the Limpopo Province. We also conduct Safaris in most of our Neighboring Countries. Our camps are very comfortable and the food is of the highest standard. In South Africa, we can keep the whole family entertained with trips to Game reserves; Elephant back Safaris, Fishing Trips, etc. With well-managed hunting areas, and an abundance of game, you can be sure of excellent trophy quality.

Your African Safari will take place in the Free State Province of South Africa. Should the successful bidder of the donation wish to take other species that is not available in the Free State we will then gladly travel to some of our other hunting concessions to obtain these trophies. The donation will be for Two Hunters and for 5 days and 6 nights. The donation is ONLY valid for 1 year from date of purchase. We can hunt year round, so dates will not be a problem.
