

"Once in a Lifetime" African Tiger Fish Trip in South Africa for 3 days & 3 Nights including full accommodations & meals

This is the "Once in a Lifetime" African fishing Experience you have only dreamt of!!!

The fresh water game fishing experience is the adventurous angler's dream. The world-renowned, extreme fighting Tiger fish has earned the reputation of being one of the world's toughest freshwater fish to restrain. Like the piranha, individual Tiger fish have interlocking, razor-sharp teeth, along with streamlined, muscular bodies, and are extremely aggressive and capable predators who often hunt in groups. At Likhulu Safaris, we follow a strict catch-and-release policy to preserve the precious fish resources of Lake Jozini. Guests can remove their fish from the water to be weighed and photographed, provided the fish are handled carefully, under the supervision of our guides.
