The "Players" is the tournament players Championship for the best of the best!!!

The Players Championship is an annual golf tournament on the PGA Tour. Originally known as the Tournament Players Championship, it began in 1974. The Players Championship offers the highest prize fund of any tournament in golf. The field usually includes the top 50 players in the world rankings, but unlike the three major championships staged in the United States, it is not an official event on the European Tour. The Players has often been considered the unofficial "fifth major" due to its prestige, its host course the TPC at Sawgrass Stadium Course and its considerably larger purse.
