Mr. Wooden,

It was an absolute pleasure working with you for our National Guard Youth Foundation Ninth Annual Challenge Champions Gala on February 25, 2014 in Washington, D.C. We truly appreciate your willingness to work directly with our Events Coordinator and staff to ensure a successful silent auction. With such a wide variety of items, from sports memorabilia to signed guitars to vacations, our guests were thrilled to bid on such unique and desirable items. Better yet, runner-up bidders were pleased to know they too could receive the item, raising even more funds for the foundation.

We really appreciated and welcomed your hands-on approach of delivering the items to the venue, setting up your items, and personally communicating with guests in a professional and friendly manner. Further, as our Live Auctioneer you did an outstanding job.

We are very pleased with the outcome of our event and believe BW Unlimited contributed a large part to that success.

Sincerely,

*Louis A. Cabrera*
