George,

I hope this letter finds you well. I wanted to thank you and BW Unlimited for always coming through for me and the events I host. You have never let me down. The Auction items you provide me are always a huge hit with the guests and definitely top notch. Utilizing BW Unlimited is the most stress free experience I have had in all my years of raising funds for a variety of different charities. When using BW Unlimited I no longer have to pound the pavement "begging" businesses for handouts, which frees up more time to spend actually assisting the causes I'm involved in. You and your staff make this process so seamless and easy. I truly appreciate you and BW Unlimited. Keep up the amazing work you are doing. I will continue to inform others of BW Unlimited and the services you provide. From the bottom of my heart, thank you. I could not have raised the money I have for the charities without your assistance.

Yours Truly,

Laura M. Burroughs
